

Dynamics Testing Laboratory
 #0031 — 2017/10/12
 Ground Floor Plan

Evacuation Assembly Areas:

1. In front of building (facing Curtis Rd) in driveway
2. Personal/UI department issued vehicle away from building

RUN

Leaving the area quickly is the best option if it is safe to do so

HIDE

When you can't or don't want to run, take shelter indoors.

FIGHT

As a last resort, you may need to fight to increase your chances of survival
